STUDIO A REOPENS SATURDAY, JUNE 15, 2019

The remodel of Studio A is nearly finished. Initially, we thought it would open June 1, 2019. However, it now looks like completing all of the improvements will take an additional two weeks. These include:

- Demolition and removal of the drop ceiling to expose the wood ceiling and beams. This improvement will improve functionality and aesthetics by increasing floor to ceiling height and exposing the wood ceiling.
- Installation of new lighting fixtures. The new fixtures will be installed directly over head, which will improve visibility and safety.
- Installation of a new HVAC system. This will help cool, heat, filter, and circulate the air in the room more efficiently.
- Refinish the hardwood floor. This will improve safety for members that take classes and play basketball in Studio A.

We look forward to providing you with these improvements and apologize for the delay.
